### Report on - Re-orientation programme on "Sensitizing college faculties regarding MOOCs – Swayam, E-pathshala, Swayamprabha online digital database"

Date	09/01/23 – 14/01/23
Time	11 – 1:30 PM
Venue	Library
Beneficiaries	All college faculty
Total Hours	15

#### Introduction

Teachers has the most significant role in educating students with time many technological advancement takes place for which teachers need to be kept updated with the recent educational tools which enhance teacher learning process. The following resources will enhance the overall quality of teaching process and professional competency.

#### Objectives

- To sensitize regarding various MOOCs.
- To learn in detail about SWAYAM
- To learn about E-Pathshala
- To learn about Swayamprabha and its application
- To learn about Udemy, Edx, Coursera
- To learn practical application in nursing curriculum.
- To outline various digital databases.
- To describe Boolean operators used in data searching.
- To demonstrate techniques of searching in research database and Google.

#### Report

Under the guidance of Principal Dr. (Prof.) Aradhana Michael, Prof. Prof. Yasmin Sharma, Institution Committee head. The Educational Committee of Choithram college of Nursing conducted a 5 days re-orientation programme on MOOCs (Massive Open Online Course) for college faculties. The session was taken by Mr. Anmol Joseph which included Swayam, Swayamprabha, E-pathshala and Udemy & web portal Online Digital Database – Shodhganga, Shodhgangotri, PubMed, BMJ (British Medical Journal), and AJOL (African Journals Online) for college faculties.. The faculties were sensitized how to create an account on this platforms and certification of the course content. They were also taught how to enrol themselves in the course and basic instruction for the course completion & how to search researches and download studies. During the session teachers raised their doubts which were addressed during the sessions.

Website : www.choithramnursing.com

### Day 6

On sixth day the session was taken by Mr. Anmol Joseph which included how to use Boolean Operator in searching, online database such as shodhganga, Pubmed, Shodhgangotri, which also included how to cite a study and download full study. The faculties were sensitized how to conduct advance search in Google and research database sites. During the session teachers raised many doubts which were addressed during the sessions.

### Outcome

The faculty program on "Sensitizing College Faculties Regarding MOOCs – Swayam, E-pathshala, Swayamprabha" yielded transformative outcomes. Educators gained a comprehensive understanding of Massive Open Online Courses (MOOCs) and their platforms, enhancing their pedagogical repertoire. Empowered with knowledge of Swayam, E-pathshala, and Swayamprabha, faculties revamped course designs to integrate diverse online resources. Collaborative initiatives emerged, fostering a dynamic online learning environment. Increased faculty proficiency in digital tools and content creation sparked innovation in teaching methodologies. Ultimately, the program facilitated a paradigm shift in educational delivery, empowering faculties to adapt to the evolving landscape of digital education and enriching student learning experiences.

### FACULTY DEVELOPMENT PROGRAM

**TOPIC: "Journal club presentation"**

**Date: 7/08/2023 to 12/08/2023**

**Time: 3-4 pm**

**Venue: Library**

**Beneficiaries: 20-25 Faculty members**

**Organizing person: Research committee**

The research committee of Choithram College of Nursing had conducted the journal-club presentation by faculties with the aim to disseminate knowledge derived from recent research findings, allowing faculty members to stay updated on advancements in their field of study. All total approx. 20-25 faculty members were the beneficiaries of the program.

The journal presentations and discussions by different faculty helped the beneficiaries to enhance their professional development by engaging in scholarly discussions, exchanging ideas, and reflecting on the relevance of research findings to their teaching, research, and professional practice.

The outcome of the program was the faculty members gained new insight, evidence-based practices, and teaching strategies derived from the research findings, ultimately enhanced their effectiveness as educators.

### Conclusion

The Faculty Development Program on Journal Club Presentation was a successful and enriching experience for all participants. Faculty members from various departments actively engaged in presenting and discussing research studies, showcasing a diverse range of topics relevant to nursing and healthcare. The program fostered a collaborative environment where faculty could exchange ideas, critique methodologies, and explore the implications of the research on teaching practices and patient care.

### CHOITHRAM COLLEGE OF NURSING

#### Report on – NDLI user awareness session

Date	24.03.2023
Time	3-4 PM
Venue	Library
Beneficiaries	B.Sc. Nursing Students & Faculties

#### Objectives

- To provide an overview of the National Digital Library of India (NDLI), its vision, and its mission.
- To demonstrate how to access the NDLI portal and mobile application.
- To highlight the various types of resources available on NDLI, such as e-books, journals, articles, theses, and multimedia content.
- To guide participants through the process of creating an NDLI account.

National Digital Library of India (NDLI) is a virtual repository of learning resources which is not just a repository with search/browse facilities but provides a host of services for the learner community. It is sponsored and mentored by Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT). Filtered and federated searching is employed to facilitate focused searching so that learners can find the right resource with least effort and in minimum time. Under the guidance of Dr. (Prof.) Aradhana Michael, Principal Choithram College of Nursing and along with Educational Committee of college organised an NDLI user awareness session for the registered members of NDLI in offline mode. The session was attended by B.Sc. Nursing batch 2019-23 and college faculties. The session was facilitated by Mr. Anmol Joseph in which the candidates were made orientated with the NDLI its purpose, working, how to access site, how to refine search etc. were covered in the session. After the session feedback was filled by every candidate through their own individual NDLI account and was sent for further evaluation to NDLI. The NDLI will enable students to learn and prepare from best practices from all over the world and to facilitate researchers to perform inter-linked exploration from multiple sources.

### Conclusion

The NDLI provides an extensive range of digital resources that are easily accessible and can greatly support your teaching, learning, and research activities. By familiarizing with the NDLI platform, we can use the tools to navigate and utilize its vast collection effectively. Students and faculty were encouraged to explore the different types of resources available, from e-books and journals to multimedia content and special collections, and integrate them into your academic work.

Students and faculty members explored how to access and navigate the NDLI portal and mobile application, ensuring that you were equipped to find and utilize the diverse resources available. From e-books and academic journals to theses and multimedia content, NDLI opened doors to a vast ocean of information, providing invaluable support for your academic and research endeavours.
