CHOITHRAM COLLEGE OF NURSING ANNUAL REPORT

TRAINING AND GUIDANCE FOR COMPETITIVE EXAM YEAR 2018-2019

Competitive Exam Guidance is developed in colleges to familiarize students with numerous competitive examinations and job opportunities. College students can prepare for various competitive examinations at the state and national levels with the help of this session's resources and advice. Students can access various competitive exam materials, journals, and magazines in the college competitive exams. Below is an overview of the events that were planned for the 2018-19 year.

Competitive Examination and Career Guidance Field experts were invited to speak with the students about the competitive exam and to inform them of the opportunities that can be obtained through it. They said these tests are being used these days to attract cops from rural areas, which is a terrific chance for young people. Through consistent and quick preparation, he urged the pupils to take the many competitive tests. He emphasized the significance of directing the students. In this session, we clear the drought of the students regarding their exams and jobs. More than 205 students attended the competitive examination and career advising program in complete silence and discipline, demonstrating the large reaction from the people. By setting up such professional assistance and providing the required facilities, encourages and guides students to actively participate in, and other competitive exams.

Preparatory Classes:

- For interested college students organized preparation for competitive exams.
- Subject specialists and faculty at the institution provide preparatory classes on general knowledge, reasoning, language, English language skills, history, agriculture, and related subjects, among other things.
- In this session we teach the student about the scope of nursing, OET / IECTS, Gov. Preparation, NORCET, Nurse as anthropometry.
- A total 09 teachers put the extra effort in these sessions. To bright up the student future.

To organize and make successful career guidance, college-level competitive examinations, and preparatory classes for competitive examinations, among other things, members of the team and all teaching and non-teaching personnel of the college have made extra efforts.

CHOITHRAM COLLEGE OF NURSING ANNUAL REPORT

TRAINING AND GUIDANCE FOR COMPETITIVE EXAM YEAR 2019-2020

To inform students about different competitive exams and career opportunities, a college developed Competitive Exam Guidance and Career Counseling. Furnishes college students with the facilities and assistance they need to prepare for several competitive exams at the state and national levels. By providing books, periodicals, and magazines in the Cell and college library, we help students prepare for a variety of competitive tests. The institution arranges competitive exams, career counseling programs, and test preparation sessions to support students' overall growth. Experts from various fields are invited to speak at these events. The COVID-19 pandemic is affecting the entire world, including India, in the 2019–20 academic years. The majority of activities during this year were conducted online, as summarized here.

1. Competitive Exam and Career Guidance Programmer: Informed the student about competitive tests and the employment opportunities that might be obtained through them. Gave a lot of attention to exam preparation tips, recommended reading, and how to avoid answering the aptitude portion of the test. The students were motivated to put in even more effort.
2. Informed the student about competitive exams and the opportunities that might be obtained through them. A total 210 students enrolled to prepare themselves for competitive professional institutions.
3. 08 teachers take this session online due to COVID-19 and the topics are scope, nurse work in national and international areas, OET, NORCET, and other exams

CHOITHRAM COLLEGE OF NURSING ANNUAL REPORT

TRAINING AND GUIDANCE FOR COMPETITIVE EXAM YEAR 2022-2023

Students require a lot of counseling and coaching before the interviews because many aspects can lead to success or failure in the early stages of a professional career. To better serve students and mentor the next generation of leaders by assisting them in realizing their strengths, the college established a Career Counseling Cell. An institution must have a support structure in place to help its students not only achieve academic brilliance but also find a comfortable position in the workforce, given the fierce competition for jobs at all levels.

The professions Students' career goals are shaped in large part by the Counseling & Competitive Exams Cell, which also helps them succeed academically. Education represents a range of employment opportunities and the holistic development of students. Professional counseling and the Competitive Exam Cell offer direction and the information needed to select the best professional path. A committee has been established by the college to ensure that various activities run smoothly.

In addition to offering regular study guidance, the cell also helps students prepare for competitive exams on, as well as other technical and self-employment career options. Cell offers a workshop, training, and career guidance program to improve participants' abilities, personalities, confidence, and skills. Resource persons from reputable companies, consultancies, training facilities, other universities, and college alums occupying high positions in the public or private sectors are invited by Cell to provide advice. Successful 198 candidates for competitive examinations are also welcomed. Members of the cell committee and college faculty occasionally mentor and inspire the kids as well.
